History

- **Journal of Engineering Education Transformations (JEET)** is a scholarly journal committed to the advancement of theory, research and practice in the field of engineering education.
- 32 year old journal founded by Engineering Education Foundation , Pune under the name of Journal of Engineering Education.
- In 2014, IUCEE and RIT started the publication of journal with a new name **Journal of Engineering Education Transformations (JEET)**.

ADVISORY BOARD

Ashok Shettar , Principal, B. V. B College of Engineering & Technology, India

R. Natarajan ,Former Chairman, All India Council for Technical Education (AICTE) , Former Director IIT Madras,
India

Hans J. Hoyer,Secretary General, IFEES, Executive Secretary, GEDC, USA

Ramchandra Sawant,Secretary, Kasegaon Education Society, India

B. M. Naik, Consultant for Quality Management, India

Arun Nigavekar, Former Chairperson, UGC, India

S. S. Mantha, Chairman, All India Council for Technical Education (AICTE)

M. P. Ravindra,President, IUCEEI Society, Bangalore, India

Anil Sahasrabudhe ,Director, College of Engineering Pune, India

EDITORIAL BOARD

C. D. Sankhavara , Dean, Faculty of Technology, RK University, Gujarat, India

Ashok Kalbag ,Secretary, IUCEEI Society, Mumbai, India

Lueny Morell , Chief Academic Officer at New Engineering University (NEU), USA

P. J. Kulkarni , Professor, Walchand College of Engineering, India

Gopalkrishna Joshi , Director, Center for Engineering Education Research (CEER), BVB College of Engineering and Technology, India

Seeram Ramakrishna , Director, Center for Nanofibers and Nanotechnology (CNN), National University of Singapore, Singapore

Sunil Kute , Chairman Board of Studies (Engineering), University of Pune, Pune, India

Vinod Lohani , Professor, Virginia Tech University, USA

S. A. Halkude , Principal, Walchand Institute of Technology, India

Bill Oakes , Director, EPICS, Purdue University, USA

Khairiyah Mohd Yusof, Director, Center for Engineering Education, Universiti Teknologi Malaysia (UTM)

Veena Kumar , Professor, Rutgers University, USA

Topics on which papers are published

Some of the areas :

- A. Innovative practices for imparting engineering education.
- B. Research in engineering education.
- C. Innovative strategies for combating issues unique to engineering education in India and abroad.
- D. Best practices to enhance the quality of engineering education, supported by assessment.

Indexing

- The Journal of Engineering Education Transformations (JEET) is **INDEXED in ELSEVIER LARGEST DATABASE SCOPUS**, the abstract and citation database of peer-reviewed literature: scientific journals, books and conference proceedings.
- J-Gate
- i-Scholar
- Google Scholar
