OBE PRE-CONFERENCE WORKSHOP
(5th January 2020 – Hyderabad)

India became a signatory to the Washington Accord in 2014 with the National Board of Accreditation (NBA) given the authority to manage accreditation of engineering programs. **IUCEE is inviting you to attend a pre-conference workshop on Outcomes Based Education (OBE) on 5th January 2020 in Hyderabad**.

The workshop will be conducted by Prof. Umakant P. Kulkarni (brief bio attached), who has extensive experience with NBA accreditation, and will involve hands-on exercises that will reinforce attendees' understanding of various aspects of OBE.

MODE:

- Template of 4 pages will be prepared , where, all participants will work on the course they handled before; to get the complete feeling of OBE philosophy.
- Participants will fill the form like template while working and understand OBE.
- Participants will work in group of 3-4 members

AGENDA:

ITEM	TIME
1. Introduction	5 min
2. Writing COs and discussion	45 min
3. Break	10 min
4. Mapping COs to POs and discussion	50 min
5. Break	10 min
6. Attainment of COs and POs and discussion	60 min
7. Discuss Participants' Examples *	30 min
8. Q & A	30 min

* NOTE:

Participants are encouraged to bring *specific questions from their OBE projects* that will be discussed during the workshop and the group can make suggestions.

Umakant P. Kulkarni is Professor and Head of the department of Computer Science & Engineering at SDM College of Engineering and Technology, Dharwad, Karnataka. He obtained his Bachelor of Engineering (BE- CSE) in 1989 from GIT, Belagavi, Karnataka University, and Master of Engineering (CSE) in 1991 from P.S.G College of Technology, Coimbatore (Autonomous) Affiliated to Bharatiyar University, Coimbatore. Prof. Kulkarni has guided more than 60 undergraduate and postgraduate students' projects. He has conducted a number of Workshops and training programs. He has published about 15 papers in Journals and 25 papers at various conferences. Prof. Kulkarni completed an AICTE funded project worth ₹9.5Lacs. His areas of interest include *Distributed Systems and Applications*, *Pervasive and Ubiquitous Computing*, *Software Agents and Applications*. His total teaching experience is 29 years. He completed his PhD from Walchand College of Engineering and Technology, Sangli, Affiliated to Shivaji University, Kolhapur in 2008. He has guided 8 doctoral students and is currently guiding 6 PhD research scholars. Prof. Kulkarni received several Best Paper awards for publication during various conferences. He is a member of International Society for Technology in Education (ISTE) and National Consortium of Secondary STEM Schools (NCSSS). He has served as head of department of Computer Science and Engineering and Information Science and Engineering department. At present, Prof. Kulkarni is coordinator for National Board of Accreditation (NBA) at college level.
