

Seminar on ABET Accreditation

Dr. Michael Milligan, Executive Director and CEO, ABET

January 5, 2020

2 pm to 6 pm

Anurag Group of Institutions, Hyderabad

Dr. Michael K. J. Milligan is the Executive Director and Chief Executive Officer of ABET, the global accreditor of college and university programs in applied science, computing, engineering and engineering technology. Under his leadership, the organization has increased its geographical reach and diversity, now representing 35 member societies and accredited programs in 29 countries. Prior to joining ABET in 2009, Milligan held various leadership positions in the government and in academia. He also served 24 years as a career U.S. Air Force officer.

Milligan has a Ph.D. from the University of Texas at Austin, an M.S from the University of Massachusetts at Lowell, and a B.S. from Michigan State University – all in electrical engineering. He also earned an M.B.A. from Western New England College, Springfield, MA, is a registered Professional Engineer (PE) in Colorado and Maryland and a Certified Association Executive (CAE)

Seminar Description

Accredited programs are recognized around the world for their commitment to quality and continuous improvement. Employers, faculty, students & parents, government, and the general public all understand the importance of quality education in a global economy. Attend this seminar and learn about ABET accreditation and how going through the process helps make your academic program stronger – one that ensures students are receiving the best educational experience possible. Topics covered include:

- Accreditation Principles
- Value of Accrediting your Program
- Introduction to ABET
- Introduction to Assessment
- Accreditation Process
