ABOUT IUCEE

The Indo Universal Collaboration for Engineering Education (IUCEE) was conceptualized by over 150 leaders of engineering education and businesses from US and India in 2007. The vision of IUCEE is to improve the quality and global relevance of engineering education and research in India with focus on faculty development, student development, curriculum development, as well as improved teaching technologies & research.

Papers are invited on the following theme & sub themes

and any other sub themes in accordance to the theme of ICTIEE 2020

ABOUT CONFERENCE

The Seventh International Conference on Transformations in Engineering Education (ICTIEE 2020) will CONNECT engineering educators from all over India with leaders from across the world as well as from industry for nurturing excellence in engineering education. Participants will be able to SHARE best practices and thereby LEARN to TRANSFORM their own institutional efforts to prepare engineering graduates who can address global challenges as well as targeted initiatives of the Indian government. ICTIEE 2020 is being hosted at Anurag Group of Institutions, Hyderabad. The Conference includes paper presentations, workshops, keynote addresses, plenary talks and panel discussions. We welcome you to join us on this mission.
