ABOUT CONFERENCE

International Conference on Transformations in Engineering Education (ICTIEE) is one of the signature programs of IUCCE Foundation connecting experts and passionate educators globally for improving the potential for excellence in engineering education. It has emerged as a global platform for sharing best practices and collaborating with academic and industrial experts for both faculty and students. The research articles submitted to ICTIEE are continuously increasing every year in terms of quality and quantity.

The Tenth International Conference on Transformations in Engineering Education, (ICTIEE-2023), hosted at Vidyavardhaka College of Engineering, Mysuru, Karnataka, features paper and poster presentation sessions, workshops, special lectures, panel discussions, conclaves and thus facilitating a global network for the cause of effective engineering education. ICTIEE 2023 is expected to have more than 2000 delegates and is welcoming passionate educators and students to be a part of this mega event.
ABOUT VVCE

Vidyavardhaka College of Engineering (VVCE) is one of the Karnataka’s top engineering institutes located in the heart of Mysuru City. VVCE is an Autonomous Institute affiliated to Visvesvaraya Technological University. VVCE is accredited by NACC with an ‘A’ Grade and all the six eligible UG programs are accredited by NBA, New Delhi. VVCE has excellent infrastructure and a futuristic curriculum delivered by competent and experienced faculty. VVCE has the best placement record. VVCE believes in quality education with practical exposure to the latest technologies and offers a vibrant campus life for the students.

ABOUT MYSURU

Mysuru City is located in the foothills of the Chamundi Hills, about 145 kilometres (90 miles) southwest of Bangalore. Mysuru is well-known for its heritage structures and palaces, including the world-famous Mysuru Palace. Mysuru is well connected to all major cities of the country by air, rail, and road. Mysuru has emerged to be one of the major IT hubs in Karnataka, with top IT and manufacturing companies. Mysuru city was declared the ‘second cleanest city’ in India by the Union Urban Development Authority. This makes it one of the most sought-after tourist destinations in Karnataka, visited by many tourists every year. The rich cultural heritage and historical significance of this glorious city attracts tourists from around the world, who explore the splendour of Mysuru city.
