ICTIEE: At Glance

International Conference on Transformations in Engineering Education (ICTIEE) is one of the signature programs of IUCEE Foundation connecting experts and passionate educators globally for improving the potential for excellence in engineering education. It has emerged as a global platform for sharing best practices and collaborating with academic and industrial experts for both faculty and students.

The Tenth International Conference on Transformations in Engineering Education, (ICTIEE-2023), hosted at Vidyavardhaka College of Engineering, Mysuru, Karnataka, features paper and poster presentation sessions, workshops, special lectures, panel discussions, conclaves and thus facilitating global network for the cause of effective engineering education. ICTIEE 2023 is expected to have more than 2000 delegates and is welcoming passionate educators and students to be a part of this mega event.
